Guidelines for Applicants

- Application forms for grants are available from 1 February to 31 March only. The form is available on the website as a PDF file which can be printed from your browser or saved to your computer. If saved and opened, it can be filled in onscreen by clicking in each field in the form, typing a response and then saving the completed form. Applications are to be emailed to **wellingtonchildrensfoundation@gmail.com** by 31 March. Please include your bank account number, as we cannot pay by cheque.
- Any queries to our email address will be checked daily during the above dates and at least once a month for the rest of the year.
- Limited funds are available. Our aim is to directly help children in need by **supporting small projects or the purchase of items**.
- No funding is available for salaries or for the purchase of land or buildings.
- Applications should include the organisation's most recent financial statements.
- The decision of the Trustees is final, and no correspondence regarding the allocation of funds will be entered into.
- The Wellington Childrens Foundation reserves the right to publish the names of successful applicants and details of their grants.

Note for Applicants

We have noticed in recent years that a number of applications have been worded in very general terms, seeking funding for general operational expenses, rather than requesting funding for **projects or items that directly help children in need** as clearly specified in the Guidelines for Applicants above. Please note that your application may not be considered if it does not comply with these Guidelines.

Requirements for Successful Applicants

- Grants must be used for the purpose stated on your application form. The amount of the grant must be spent by **30 November** in the year of receipt.
- Receipts and invoices must be sent to us by 30 November in the year of receipt. **Part of the requirement of receiving a grant is to send or email documentation of the expenditure by the notified date. Failing to comply could jeopardise further grants.**
- If you do not use the entire grant you must return the unspent amount.
- If your organisation is registered for GST, please ensure that the amount requested **excludes** GST
